Subject: **Tillman Military Scholarships - Now Open**

To the Leaders of Our Nation's Military Organizations:

The Pat Tillman Foundation would like to invite your leadership and your members and their families to apply for the Tillman Military Scholarships. In line with our ongoing commitment to inspire leadership, the Pat Tillman Foundation is dedicated to supporting educational opportunities for servicemembers and their families. Veteran and active servicemembers and their dependents (children and spouses) portray the very nature of leadership that we at the Foundation seek to inspire in young people across the country. With this fund, we ensure these leaders have every opportunity to pursue broader educational goals.

Please find the applications under the "What's New" section of the Pat Tillman Foundation main page: www.pattilmanfoundation.org

The Tillman Military Scholarships will support educational opportunities for servicemembers and their families through covering direct study-related expenses such as tuition, fees, books, room and board, and other needs, such as child care. The Pat Tillman Foundation will provide a substantial amount of support towards this effort in 2009, with scholarships to be allocated to individual applicants around the U.S.

Please forward this to your respective contacts and membership and/or post it on any websites where potential applicants may find it. Applications are due on May 14, 2009.

Find more information on criteria and scholarships awards on the front page of each application. Applications are designated for two groups: servicemembers (veteran and active) and dependents of servicemembers. If you have any questions, please contact scholarships@pattilmanfoundation.org.

Regards,

Hunter I Riley
