

PLEASE TAKE NOTE TOO MANY POSTS ARE REPORTING HOURS & MONIES.....WRONG!

HOURS: ONLY service hours benefiting the community are to be reported! Volunteer hours committed to projects and activities benefitting the Post and it affiliated units **cannot** be reported.

MONEY: Monies reported are the dollars donated or expended by the members in the performance of the community service hours reported plus \$.14 (cents) per mile.

DO NOT REPORT...The value of the hours worked...*National calculates that amount* using the hours reported.
Posts and Departments should **NEVER** report any figures derived from the VALUE of hours!

ACCURATE and HONEST reporting is critical.....
If a Post inflates the amount of monies donated or hours worked...That posts risks losing their Not-For-Profit status.

The IRS is WATCHING US!
