**DEPARTMENT ORDER NO. 9**  
**Series.....2021-2022**

District Commander

Although attendance is improving at District Meetings and Conventions we must continue to do our due diligence to make sure that we do not lose the momentum that has been started. As Department Commander, I must direct all Districts in the State of New York to follow the National By-Laws and Manual of Procedure as they apply to your Districts without exception as well as provide guidance on follow-on action for failure to comply.

Again, this year we will be assigning a Department Line Officer to attend each of your meetings for the purpose of providing instructions and to bring feedback to the Department Officers on how we may better assist at the District level.

1. All Districts shall conduct a minimum of **two** (2) meetings annually unless otherwise prescribed in the National By-Laws and Manual of Procedures.
2. All Districts shall conduct one Convention each year.
3. All Districts shall take attendance at the beginning of each Meeting or Convention and record the number of the Post, the name of the representative and their membership number.
4. Immediately following the roll call of Posts the Adjutant shall announce if a quorum is present (a quorum shall be not less than one (1) delegate each from fifty (50) percent of Posts in the District).
5. The District Commander may not excuse a Post representative from a District Meeting or Convention; however, during a period of inclement weather where travel would jeopardize the safety and well being of attendees, the District Commander does have the authority to reschedule said meeting or Convention.
6. A Post representative must be present for the entire duration of a District Meeting or Convention. If the Post representative leaves prior to the close of the meeting the Post will not be given credit for attending the District Meeting or Convention.
7. A District Meeting and Convention should be conducted, when possible, at a Post centrally located within the District to provide each Post the opportunity to attend in a location somewhere within a reasonable commuting distance from their Post.
8. The District Commander has the option of offering remote access for all meetings and Conventions by the use of electronic means such as Zoom, Net Meeting, etc. if he or she so desires; however, the State Commander can require attendance by electronic means under special conditions if warranted. If remote access is authorized by the District Commander, attendees will be required to be present for the meeting using video either through the use of a laptop or desktop computer, I-Pad or phone provided attendees can be seen on the screen by all attendees at the meeting. Use of any electronic device where video is not available is not authorized.

9. The District Commander shall ensure official written notification is sent to all Post Commanders, County Council Commanders, Past District Commanders and Past State Commanders within their District by US Mail **not less than 10 days prior to the scheduled meeting date** nor more than 30 days prior to the meeting date. The written notification must include the date, time, and location of the meeting as well as whether the meeting or Convention will be offered by electronic means.

The District Commander shall ensure that a copy of the meeting notification and a copy of the mailing list are forwarded to Department Headquarters within 10 days of the meeting date.

10. The District Commander shall **within 10 days** of each Meeting or Convention ensure that a copy of the minutes of the Meeting or Convention and a copy of the attendance record signed by the Adjutant is sent to Department Headquarters.
11. The District shall **within 10 days** of each Meeting or Convention investigate why a Post was not represented and report the reason to Department Headquarters using the attached form. The reply should provide the detailed circumstances why the Post failed to provide a representative at the meeting or Convention. Additionally, as District Commander, you will make a recommendation as to the corrective action that should be initiated by the State Commander for failure to provide a representative and circumstances to justify that recommendation.
12. Following the recommendation of the District Commander, administrative or disciplinary action may be initiated by the State Commander to include but not limited to:
  - a. No action
  - b. Letter of Warning
  - c. Letter of Censure
  - d. Suspension of the Post Charter and placed under Administrative Control

DEPARTMENT ORDER NO. 10  
Series.....2021-2022

November 30, 2021

Dear Post Commander,

State Commander Michael Hoag, and the Department Line officers are committed to the purposes and principles of the Veterans of Foreign Wars. During past years many Post Commanders were relieved from their position for not ensuring their Post was represented at District Meetings. It appears that the trend has been turned around and attendance at the District meetings has improved. The State Commander is planning to introduce more training at District Meetings to help each and every one of you at the Post level to become more informed, effective leaders, and strengthen your post in our veterans' programs.

We remind you as a Post Commander your duties are explained in detail in Section 218 of the National By-Laws and Manual of Procedure. Please read and become familiar with them. *One of those duties is that you or your representative must be present at District Meetings and Conventions.* The State Commander and the Department Line officer's position is that you or your representative is to be present at every District meeting and remain for the entire meeting.

*There are no excused absences from District Meetings or Conventions. If your Post is not represented at a District meeting by you or one of your members, actions as described in the National By-Laws may be imposed.*

The District Commander will ensure that attendance is taken at each District Meeting and District Convention to verify your Post is represented at these meeting(s) and that a quorum is present. Additionally, the District Adjutant will take attendance at the beginning of each meeting/convention to determine whether or not a quorum is present and announce the results. A quorum is the minimum number of delegates required to constitute a quorum for the transaction of business at a regular meeting, special meeting or District Convention that shall not be less than one delegate from each of the 50% of the posts in the Districts.
