“Communications, Communications – Let’s Talk”

DEPARTMENT OF NEW YORK

**2022-23 MEMBERSHIP
PROGRAM**

Comrades,

You now have the 2022-23 Veterans of Foreign Wars, Department of New York **Commander's Membership Program** in your hands. You will notice some changes to this year's program from past years. You will find that everything we do this year will focus on the **Togetherness**. My theme for 2022-23 will be "Communications, Communications - Let's Talk. For some time, we have wandered from our mission and the support of our foundation programs, including membership as well as many of the everyday tasks required of our inherent responsibilities as elected and appointed officers and member of our great organization - The Veterans of Foreign Wars of the United States.

We all know that membership is the lifeblood of the VFW. We also all know how difficult it is to go out and recruit new members. So, why do we continually shoot ourselves in the foot and fail to retain those we worked so hard to get the first time around. I am asking you this year to not only seek out new members but work even harder to reclaim some of those members who have gone out the back door and failed to pay their dues in previous years. We will do our best to provide you the leads for those members who have failed to renew.

The **All-State Program** is the Department Commander's program **designed to recognize the best** Districts, Councils and Posts from across the state. I have designed this year's membership program continue our two objectives, first, provide you some incentive to recruit with a variety of recognition awards for your hard work and second, develop this year's program for the coveted All State Commander's Award around improving our tenant programs - Voice of Democracy, Patriot's Pen, Teacher's Award while continuing a training initiative to instill the basics of Post administration and management. Work your programs and networking will take place and you'll gain those new members as well as bring back some of those whom you have lost. ***The goal this year is not only make 100% in membership, but to make the Department stronger. The end goal is an All-American Department once again.***

Following the notification of posts being selected to receive awards, including the All-State award, **must notify the Department Headquarters no later than July 11, 2023 of anyone wishing to contest eligibility.**

Let's work as a TEAM and keep the Department of New York where it should be in membership – ON TOP!!

WORK TOGETHER AND MAKE IT HAPPEN AGAIN IN 2020-21

Yours in Comradeship,

Peter Pennelle

4 Steps for the Post Commander In Planning A Successful Recruiting Campaign

Step #1:

Select and organize a membership committee.

- Qualities of a successful Membership Chairman:
Popular, organized, good speaker, knowledgeable about the VFW, dedicated
- Qualities of a successful Committee member:
Active, knowledgeable about the VFW, dependable

Step #2:

Develop a recruiting plan

5 Elements of a recruiting plan that works:

1. Analysis of the current situation

Where you are in terms of members, recruitments, other Posts' territories' members and recruitments. Use last year's membership as a base for your goals.

2. Goal Setting

Where you want to go

3. Development of action plans

- Territory and time management
- Manpower management and planning
- Recruiting meetings and techniques

4. Implementation of action plans

Translate plans on paper into actions carried out by the recruiting team

5. Tracking results

Use a system of controls and measurements to assure results are achieved

Step #3:

Set realistic goals

Two types of goals in your plan should include: Quotas and Objectives

USE THE **SMART** system for goal setting:

Specific.

For example, the focus of the plan should not be just to increase recruiting by Numbers, but to increase by a certain number through specific recruiting Techniques

Measurable.

A definite measure – to increase members in your Post by a certain percentage or set number

Attainable/Ambitious

Goals should require effort (ambitious), but attainable

Results-oriented.

Goals aimed at achieving a specific result

Timed.

Track your progress throughout the time period to ensure you achieve goals at the end of the stated time. Consider setting up recruiting deadlines to coincide with National, Department and District/County awards so members are eligible for awards sponsored by National, Department, District and County.

Step #4:

Plan your activities.

The 3 R's of membership growth:

Retain Continuous members

Reinstate former members

Recruit NEW members

Five proven recruiting techniques:

1. Personal contact

Door-to-Door, membership booths, meetings

2. Recruiting booths/tables

3. Mail

4. Referrals

5. Telephone campaign

Note: Personal contact is the most effective way to reach prospective Members. Whatever recruiting method you use, always arrange A face-to-face meeting with the prospect.

STATE COMMANDER'S SPECIAL PROJECT

Maria Fareri Children's Hospital

Background: This year, State Commander Peter Pennelle has chosen to support Maria Fareri Children's Hospital which is a member of the Westchester Medical Center Health Network (WMCHealth)

The WMCHealth is an advanced care pediatric hospital for the New York Hudson Valley region and Fairfield County, Connecticut.

Maria Fareri Children's Hospital is part of the Valhalla, NY campus of WMCHealth along with Westchester Medical Center and the Behavioral Health Center.

Maria Fareri Children's Hospital was built through the efforts of hundreds of parents, medical professionals, and community leaders, including Brenda and John Fareri who lost their 13-year old daughter, Maria, to rabies in 1995. After Maria died, her parents learned that Maria had made a special wish as part of her school project – for the health and well-being of all the children in the world. Guided by Maria's wish, the Fareri family helped lead the design and creation of Maria Fareri Children's Hospital as a “family-centered” hospital. It is the only hospital in the United States named after a child.
