

**WE WANT YOU!**

OUR

# 2024 Department Of New York VFW Oral History Project can't happen without YOU!

We have contracted with our trusted partner Publishing Concepts, Inc. to help collect stories from as many members as possible and produce the **2024 Department of New York VFW Oral History Project.**

PCI will be contacting you beginning the 3rd week of October via postcard, asking you to participate and update your contact information. They do not sell or share your information.

This campaign will compile a unique Oral History archive, uniting New York VFW members across generations, professions, geography, and life experiences. By sharing your memories, you'll ensure that the rich history of New York VFW will be preserved for generations to come.

Thanks for your participation!
